You represent and warrant that you are not on the United States Department of Treasury, Office of Foreign Asset Controls list of Specially Designated National and Blocked Persons and are not otherwise a person to whom Rackspace is legally prohibited to provide the Services. You may not use the Services for the development, design, manufacture, production, stockpiling, or use of nuclear, chemical or biological weapons, weapons of mass destruction, or missiles, in a country

listed in Country Groups D: 4 and D: 3, as set forth in Supplement No. 1 to the Part 740 of the United States Export Administration Regulations, or as otherwise prohibited by law, nor may you provide administrative access to the Service to any person (including any natural person or government or private entity) that is located in or is a national of any country that is embargoed or highly restricted under United States export regulations.

9. CHANGES TO THE ACCEPTABLE USE POLICY

9.1 We may change the Acceptable Use Policy to add or modify restrictions on our customers' use of the Services, provided that the changes are reasonable and consistent with hosting industry norms. If we make a change to the AUP we will publish a revised version of the AUP at <http://www.rackspace.com/information/legal/aup.php>. The revised AUP will become effective as to you on the first to occur of: **(i)** the first day of a renewal term for the Agreement that begins at least thirty (30) days days after the time that the revised AUP has been posted, or **(ii)** your execution of a new or additional agreement for all or part of your Hosted System that incorporates the revised AUP by reference, or **(iii)** thirty (30) days following our written notice to you of the revision to the AUP.

9.2 If your compliance with the revised AUP would adversely affect your use of the Hosting Services, and you give a written notice of your objection no later than thirty (30) days following the date that the revised AUP would otherwise have become effective as to you, we will not enforce the revision as to you until sixty (60) days following the date the revision would otherwise have become effective as to you and you will continue to be subject to the prior version. During the sixty (60) day period, you may elect to terminate the Agreement on these grounds by giving written notice. We will not charge you an early termination fee for a termination on these grounds. If you do not elect to terminate during the sixty (60) day period, then the revised AUP will become effective as to you as of the end of the sixty (60) day period. If you terminate your Services under this Subsection, we may decide to waive that change as to you and keep your Agreement in place for the remainder of the term.

10. SUSPENSION OF SERVICES

We may suspend Services without liability if: **(i)** we reasonably believe that the Services are being used in violation of the Agreement; **(ii)** you don't cooperate with our reasonable investigation of any suspected violation of the Agreement; **(iii)** there is an attack on your Hosted System or your Hosted System is accessed or manipulated by a third party without your consent, **(iv)** we are required by law, or a regulatory or government body to suspend your Services, or **(v)** there is another event for which we reasonably believe that the suspension of Services is necessary to protect the Rackspace network or our other customers. We will give you advance notice of a suspension under this paragraph of at least twelve (12) Business Hours unless we determine in our reasonable commercial judgment that a suspension on shorter or contemporaneous notice is necessary to protect Rackspace or its other customers from imminent and significant operational, legal, or security risk. If your Hosted System is compromised, then you must address the vulnerability prior to Rackspace placing the Hosted System back in service or, at your request, we may be able to perform this work for you at our standard hourly rates as a Supplementary Service.

11. TERMINATION FOR BREACH

11.1 You may terminate the Agreement for breach if: **(i)** we materially fail to provide the Services as agreed and do not remedy that failure within ten (10) days of your written notice describing the failure, **(ii)** we fail to meet The Fanatical Support Promise® (subject to the conditions and procedures described at <http://www.rackspace.com/whyrackspace/support/promise/remedy.php>), or **(iii)** we materially fail to meet any other obligation stated in the Agreement and do not remedy that failure within thirty (30) days of your written notice describing the failure.

11.2 We may terminate the Agreement for breach if: **(i)** we discover that the information you provided for the purpose of establishing the Services is materially inaccurate or incomplete, **(ii)** the individual signing the Agreement did not have the legal right or authority to enter into the Agreement on behalf of the person represented to be the customer, **(iii)** your payment of any invoiced amount is overdue and you do not pay the overdue amount within four (4) Business Days of our written notice, **(iv)** without notice if you have made payment arrangements via credit card or other third party, and the third party refuses to honor our charges, or **(v)** you fail to comply with any other provision of the Agreement and do not remedy the failure within thirty (30) days of our notice to you describing the failure. We may also terminate the Agreement for breach if you violate the AUP more than once even if you cure each violation, or if your agreement for any other Rackspace service is terminated for breach of the acceptable use policy applicable to that service.

11.3 Either of us may terminate the Agreement if the other party becomes insolvent or is unable to pay its debts or enters into or files (or has filed or commenced against it) a petition, arrangement, application, action or other proceeding seeking relief or protection under the bankruptcy laws of the United States or any similar laws of the United States or any state of the United States.

12. CONFIDENTIAL INFORMATION

Each of us agrees not to use the other's Confidential Information except in connection with the performance or use of the Services, as applicable, the exercise of our respective legal rights under the Agreement, or as may be required by law. Each of us agrees not to disclose the other's Confidential Information to any third person except as follows:

- (i) to each of our respective service providers, agents and representatives, provided that such service providers, agents or representatives agree to confidentiality measures that are at least as stringent as those stated in this General Terms and Conditions;
- (ii) to a law enforcement or government agency if requested, or if either of us reasonably believes that the other's conduct may violate applicable criminal law;
- (iii) as required by law; or
- (iv) in response to a subpoena or other compulsory legal process, provided that each of us agrees to give the other written notice of at least Seven (7) days prior to disclosing Confidential Information under this subsection (or prompt notice in advance of disclosure, if Seven (7) days advance notice is not reasonably feasible), unless the law forbids such notice.

13. LIMITATION ON DAMAGES

13.1 We are not liable to you for failing to provide the Services unless such failure results from a breach of a Service Level Guaranty, or results from our gross negligence, willful misconduct, or intentional breach of the Agreement. The credits stated in the Service Level Guaranty are your sole and exclusive remedy for our failure to meet those guaranties for which credits are provided unless such failure is due to Rackspace's willful misconduct. Termination of the Agreement is your **sole and exclusive** remedy for our failure to meet The Fanatical Support Promise.

13.2 Neither of us (nor any of our employees, agents, affiliates or suppliers) is liable to the other for any lost profits or any other indirect, special, incidental or consequential loss or damages of any kind, or for any loss that could have been avoided by the damaged party's use of reasonable diligence, even if the party responsible for the damages has been advised or should be aware of the possibility of such damages. In no event shall either of us be liable to the other for any punitive damages.

13.3 We are not liable to you for lost data unless and to the extent you purchase data backup services from Rackspace and we fail to provide the backup services as agreed. If you purchase backup services, you release Rackspace from liability for loss of data to the

14. INDEMNIFICATION

14.1 If we, our affiliates, or any of our or their respective employees, agents, or suppliers (the "Indemnitees") is faced with a legal claim by a third party arising out of your actual or alleged gross negligence, willful misconduct, violation of law, failure to meet the security obligations required by the Agreement, violation of the AUP, violation of your agreement with your customers or end users, or violation of Section 8 (Export Matters) or Section 16 (Software) of this General Terms and Conditions, then you will pay the cost of defending the claim (including reasonable attorney fees) and any damages award, fine or other amount that is imposed on the Indemnitees as a result of the claim. Your obligations under this subsection include claims arising out of the acts or omissions of your employees or agents, any other person to whom you have given access to the Services, and any person who gains access to the Services as a result of your failure to use reasonable security precautions, even if the acts or omissions of such persons were not authorized by you. You must also pay reasonable attorney fees and other expenses we incur in connection with any dispute between persons having a conflicting claim to control your account with us, or any claim by your customer or end user arising from an actual or alleged breach of your obligations to them.

14.2 If you, your affiliates, or any of your or their respective employees, agents, or suppliers, is faced with: (i) a legal claim by a third party arising out of Rackspace's actual or alleged gross negligence, willful misconduct, violation of law, or failure to meet the security obligations required by the Agreement, or (ii) a legal claim by a third party alleging that the Hosting Services infringe on the United States patent or copyright of a third person, then, subject to the limitations stated in Section 13 above, Rackspace will pay the cost of defending the claim (including reasonable attorney fees) and any damages award, fine or other amount that is imposed on you as a result of the claim.

14.3 If either of us receives notice of a claim that is covered by this Section, the notice must be promptly forwarded to the financially responsible party (the "Indemnifying Party"). The Indemnifying party will be allowed to conduct the defense of the matter, provided that it uses due care and diligence, and provided that its decisions regarding the defense of the matter are reasonable and are promptly communicated to the party against whom the claim is made (the "Indemnified Party"). The Indemnifying Party's choice of counsel to defend the claim shall be subject to the approval of the Indemnified Party, not to be unreasonably withheld. The Indemnifying Party may not settle the claim without the consent of the Indemnified Party, not be unreasonably withheld. The Indemnified Party shall provide such information and assistance as the Indemnifying Party may reasonably request, at the expense of the Indemnifying Party. The Indemnified Party may, at its own expense, participate in the defense of the matter with counsel of its choosing.

15. PUBLICITY

You agree that we may publicly disclose that we are providing Services to you and may use your name and logo to identify you as our customer in promotional materials, including press releases. We will not use your name or logo in a manner that suggests an endorsement or affiliation.,

16. SOFTWARE

16.1 General. You may not copy any software we provide for your use unless expressly permitted by the Agreement. You may not remove, modify or obscure any copyright, trademark or other proprietary rights notices that appear on any software we provide for your use. Unless permitted by the terms of an open source software license, you may not reverse engineer, decompile or disassemble any software we provide for your use except and to the extent that you are expressly permitted by applicable law to do this, and then following at least ten (10) days advance written notice to us. In addition to the terms of our Agreement, your use of any Microsoft® software is governed by: (i) Microsoft's license terms that appear at <http://www.rackspace.com/information/legal/microsoftlicenseclient.php>, for client or redistributable software, (ii) Microsoft's license terms at

extent that the data has changed since the time that we were last required by the Agreement to perform a backup.

13.4 Notwithstanding anything in the Agreement to the contrary, except for liability based on willful misconduct or fraudulent misrepresentation, and liability for death or personal injury resulting from Rackspace's negligence, the maximum aggregate monetary liability of Rackspace and any of its employees, agents, suppliers, or affiliates in connection with the Services, the Agreement, and any act or omission related to the Services or Agreement, under any theory of law (including breach of contract, tort, strict liability, violation of law, and infringement) shall not exceed: (i) for Hosting Services an amount that is twelve (12) times one month's recurring fee under the Agreement for the Services that are the subject of the claim as of the time of the occurrence of the events giving rise to the claim, and (ii) for Supplementary Services, fees paid for the Supplementary Services that are the subject of the claim.

www.rackspace.com/information/microsoftlicensmobility.php for use of Microsoft software on the Rackspace Cloud under the license mobility program, and (iii) any use restrictions on your use of the Microsoft software as indicated in your Services Description, such as a limitation on the number of users (a "SAL" license). If you use any non-Rackspace provided software on your Hosted System you represent and warrant to Rackspace that you have the legal right to use the software in that manner. On Rackspace's request you will certify in writing that you are in compliance with the requirements of this paragraph and any other software license restrictions that are part of the Agreement, and will provide evidence of your compliance as we may reasonably request.

16.2 Customer Provided Licenses. If Rackspace has agreed to install, patch or otherwise manage software in reliance on your license with a software vendor (rather than Rackspace's license with the software vendor), then you represent and warrant that you have a written license agreement with the vendor that permits Rackspace to perform these activities. You agree that you will provide Rackspace with evidence of licensing as Rackspace may reasonably require prior to the scheduled deployment date, and from time to time as necessary to update the status of the license. If you fail to provide the required evidence of licensing Rackspace may, at its option, either (i) delay the deployment date for the Hosted System that was to include such software until the evidence is provided, (ii) deploy the Hosted System in reliance on Rackspace's licensing agreement with the vendor, and charge you its standard fee for the use of the software until such time as the required evidence is provided, or (iii) suspend or terminate the Agreement. **Please Note:** Your licensed software may not be compatible with Rackspace's standard process for deploying and repairing Hosted Systems. In addition, in order to install the software Rackspace may require you to send the physical or electronic media provided to you by the vendor, both for deployment and again in the event of a failure of your Hosted System. You agree that Rackspace will not be in breach of any Service Level Guaranty or other obligation under this Agreement that would not have occurred but for a delay resulting from our agreement to use your licensed software.

17. RECOMMENDATIONS

Rackspace personnel may from time to time recommend third party software or other products and services for your consideration. RACKSPACE MAKES NO REPRESENTATION OR WARRANTY WHATSOEVER REGARDING PRODUCTS AND SERVICES THAT ARE NOT PURCHASED FROM RACKSPACE. Your use of any such products and services is governed by the terms of your agreement with the provider of those products and services.

18. WHO MAY USE THE SERVICE

You may permit your subsidiaries and affiliated companies to use the Services if you wish, however you are responsible for the acts or omissions of your permitted users. Rackspace will provide support only to you, not to your customers, subsidiaries or affiliates. There are no third party beneficiaries to the Agreement, meaning that your customers, subsidiaries, affiliates and other third parties do not have any rights against either of us under this Agreement.

19. NO HIGH RISK USE

You may not use the Services in any situation where failure or fault of the Services could lead to death or serious bodily injury of any person, or to physical or environmental damage. For example, you may not use, or permit any other person to use, the Services in connection with aircraft or other modes of human mass transportation, nuclear or chemical facilities, or Class III medical devices under the Federal Food, Drug and Cosmetic Act.

20. TEST SERVICES

If you use any Services that have been designated as a "Beta" service, limited release, pilot test, or with similar designation, then your use of that Service is subject to the terms at <http://www.rackspace.com/information/legal/testterms.php>.

21. SERVICES MANAGEMENT AGENT

You agree that you will not interfere with any services management software agent(s) that Rackspace installs on your Hosted System. Rackspace agrees that its agents will use only a minimal amount of computing resources, and will not interfere with your use of your Hosted System. Rackspace will use the agents to track system information so that it can more efficiently manage various service issues, such as patching exceptions and product life cycles. Rackspace may also use the agents to identify security vulnerabilities. Rackspace will not use the agents to view or capture your content or data. Your Services will become "unsupported" as described in the Product Terms if you disable or interfere with our services management software agent(s). You agree that Rackspace may access your Hosted System to reinstall services management software agents if you disable them or interfere with their performance.

22. NOTICES

Your routine communications regarding the Services, including any notice of non-renewal, should be sent to your Rackspace account team using the *MyRackspace* portal. If you want to give a notice regarding termination of the Agreement for breach, indemnification, or other non-routine legal matter, you should send it by electronic mail and first class United States mail to:

legalnotice@rackspace.com
General Counsel
Rackspace US, Inc.
5000 Walzem Drive
San Antonio, Texas 78218
MAIL STOP: US109-2301

Notices are deemed received as of the time delivered, or if that time does not fall within a Business Day, as of the beginning of the first Business Day following the time delivered, except that notices of AUP amendments are deemed delivered as of the first time that you log on to your *MyRackspace* portal after the time that the notice is posted. For purposes of counting days for notice periods, the Business Day on which the notice is deemed received counts as the first day. Notices must be given in the English language.

23. OWNERSHIP OF INTELLECTUAL PROPERTY

Each of us retains all right, title and interest in and to our respective trade secrets, inventions, copyrights and other intellectual property. Any intellectual property developed by Rackspace during the performance of the Services shall belong to Rackspace unless we have agreed with you in advance in writing that you shall have an interest in the intellectual property.

24. OWNERSHIP OF OTHER PROPERTY

You do not acquire any ownership interest in or right to possess the Hosted System, and you have no right of physical access to the Hosted System. We do not acquire any ownership interest in or right to the information you transmit to or from or store on your Rackspace servers or other devices or media.

25. INTELLECTUAL PROPERTY INFRINGEMENT

If Rackspace or any of its customers is faced with a credible claim that the Services infringe on the intellectual property rights of a third party, and Rackspace is not reasonably able to obtain the right to use the infringing element or modify the Services such that they do not infringe, then Rackspace

may terminate the Services on reasonable notice of at least ninety (90) days, and will not have any liability on account of such termination except to refund amounts paid for Services not used as of the time of termination.

26. ASSIGNMENT/SUBCONTRACTORS

Neither party may assign the Agreement without the prior written consent of the other party except that Rackspace may assign the Agreement to an Affiliate with sufficient financial standing in order to meet its obligations under this Agreement or as part of a bona fide corporate reorganization or a sale of its business. Rackspace may use third party service providers to perform all or any part of the Services, but Rackspace remains responsible to you under this Agreement for Services performed by its third party service providers to the same extent as if Rackspace performed the Services itself.

27. FORCE MAJEURE

Neither of us will be in violation of the Agreement if the failure to perform the obligation is due to an event beyond our control, such as significant failure of a part of the power grid, significant failure of the Internet, natural disaster, war, riot, insurrection, epidemic, strikes or other organized labor action, terrorism, or other events of a magnitude or type for which precautions are not generally taken in the industry.

28. GOVERNING LAW, LAWSUITS

The Agreement is governed by the laws of the State of Texas, exclusive of any choice of law principle that would require the application of the law of a different jurisdiction, and the laws of the United States of America, as applicable. The Agreement shall not be governed by the United Nations Convention on the International Sale of Goods. Each of us agrees that any dispute or claim, including without limitation, statutory, contract or tort claims, relating to or arising out of this Agreement or the alleged breach of this Agreement, shall, upon timely written request of either of us, be submitted to binding arbitration. The party asserting the claim may elect to have the arbitration be in-person, telephonic or decided based on written submissions. The arbitration shall be conducted in the city in which you reside. The arbitration shall proceed in accordance with the commercial arbitration rules of the American Arbitration Association ("AAA") in effect at the time the claim or dispute arose. The arbitration shall be conducted by one arbitrator from AAA or a comparable arbitration service, and who is selected pursuant to the applicable rules of the AAA. The arbitrator shall issue a reasoned award with findings of fact and conclusions of law and judgment on the award rendered by the arbitrator may be entered in any court having jurisdiction thereof. Either you or we may bring an action in any court of competent jurisdiction to compel arbitration under this Agreement, or to enforce or vacate an arbitration award. We will pay the fee for the arbitrator and your filing fee, to the extent that it is more than a court filing fee. We agree that we will not seek reimbursement of our fees and expenses if the arbitrator rules in our favor. Each of us waives any right to a trial by jury, and agrees that disputes will be resolved through arbitration. No claim subject to this provision may be brought as a class or collective action, nor may you assert such a claim as a member of a class or collective action that is brought by another claimant. Each of us agrees that we will not bring a claim under the Agreement more than two years after the time that the claim accrued. Except as may be required by law, neither a party nor an arbitrator may disclose the existence, content, or results of any arbitration hereunder without the prior written consent of both parties.

29. SOME AGREEMENT MECHANICS

These General Terms and Conditions, the applicable Product Terms, and any applicable Country Specific Terms are incorporated in your Agreement by reference to pages on the Rackspace website. Although we may from time to time revise the General Terms and Conditions, Product Terms, and Country Specific Terms posted on those pages, those revisions will not be effective as to an Agreement that you signed prior to the date we posted the revisions, and your Agreement will continue to be governed by the General Terms and Conditions and Product Terms posted on the

effective date of the Agreement until the first day of any renewal or extended term that follows the date we published the revision. However, if over time you sign multiple Agreements for a single Hosted System –for example to add service elements to an existing Hosted System, then the version of the General Terms and Conditions, Product Terms and Conditions, and Country Specific Terms (if any) referenced in the last signed Agreement will govern the entire Hosted System, unless otherwise agreed in writing.

Unless otherwise expressly permitted in this Agreement, the General Terms and Conditions, Product Terms and Conditions, Acceptable Use Policy, Country Specific Terms and Conditions, and any addenda referenced in any of them, may be amended only by a formal written agreement signed by both parties. A Services Description may be amended to modify, add, or remove Services, by a formal written agreement signed by both parties, or by an exchange of correspondence, including via electronic mail or the Rackspace ticketing system, that includes the express consent of an authorized individual for each of us. The pre-printed terms on your purchase order or other business forms will not become part of this Agreement.

If there is a conflict between the terms of any of the documents that comprise the Agreement, the documents will govern in the following order: signature page for Hosting Service Agreement, Country Specific Terms (if any), Services Description, Product Terms and Conditions, any addendum to the General Terms and Conditions, the General Terms and Conditions, and the Acceptable Use Policy. If any part of the Agreement is found unenforceable by a court, the rest of the Agreement will nonetheless continue in effect, and the unenforceable part shall be reformed to the extent possible to make it enforceable but still consistent with the business and financial objectives of the parties underlying the Agreement. Each of us may enforce each of our respective rights under the Agreement even if we have waived the right or failed to enforce the same or other rights in the past. The relationship between us is that of independent contractors and not business partners. Neither of us is the agent for the other, and neither of us has the right to bind the other on any agreement with a third party. The captions in the Agreement are for convenience only and are not part of the Agreement. The use of the word "including" in the Agreement shall be read to mean "including without limitation." The words "our" and "us" refers to Rackspace, unless the context clearly indicates another meaning. The Agreement is effective when you sign it, even though the "initial term" may be defined in the Agreement with reference to the Service Commencement Date or other date. The following provisions shall survive expiration or termination of the Agreement: (i) Sections 5.1, 5.2, 7, 12, 13, 14, 20, 21, 22, 23, 24, 28 and 29 of this General Terms and Conditions, (ii) all provisions in the Agreement requiring you to pay fees for Services provided prior to the time of expiration or termination or requiring you to pay an early termination fee, and (iii) all other provisions of the Agreement that by their nature are intended to survive expiration or termination of the Agreement.

If you have made any change to the Agreement that you did not bring to our attention in a way that is reasonably calculated to put us on notice of the change, the change shall not become part of the Agreement.

The Agreement may be signed in multiple counterparts, which taken together will be considered one original. Facsimile signatures, signatures on an electronic image (such as .pdf or .jpg format), and electronic signatures shall be deemed to be original signatures.

MANAGED HOSTING SERVICES TERMS AND CONDITIONS

In addition to the General Terms and Conditions, your use of the Managed Hosting Services is subject to the following additional terms and conditions:

1. ADDITIONAL DEFINED TERMS

Some words used in these Managed Hosting Services Terms and Conditions have particular meanings:

"Hosting Services" means Rackspace's provision for your use of the Hosted System described in the Service Description.

"Personally Identifiable Information" or **"PII"** means: **(i)** a combination of any information that identifies an individual with that individual's sensitive and non-public financial, health or other data or attribute, such as a combination of the individual's name, address, or phone number with the individual's social security number or other government issued number, financial account number, date of birth, address, biometric data, mother's maiden name, or other personally identifiable information; **(ii)** any "non-public personal information" as that term is defined in the Gramm-Leach-Bliley Act found at 15 USC Subchapter 1, § 6809(4), and **(iii)** "protected health information" as defined in the Health Insurance Portability and Accountability Act found at 45 CFR §160.103.

"Service Commencement Date" means the date on which we provide the access codes that enable to you to send and receive information from your Hosted System.

"Support" means: **(i)** the management of the Hosting Services by a service delivery team that includes a team leader, account manager, and support specialists with training and experience in hosted systems; **(ii)** availability of live support twenty four hours per day, seven days per week, year round; **(iii)** any specific support services described in the Service Description; and **(iv)** use of the *MyRackspace*® customer portal.

2. DEPLOYMENT

2.1 Deployment Guaranty. We will deploy the server(s) described in the Service Description by the date stated in the Service Description, provided that you promptly provide all information that we reasonably request from you to complete deployment. Servers are deemed deployed as of the Service Commencement Date. Your **sole and exclusive remedy** for our failure to deploy the servers by the guaranteed time shall be a credit equal to the amount of the set up fee stated in the Service Description for the affected server(s). You are not entitled to a credit if you request or cause the deployment delay. This deployment guaranty does not apply to any software, other managed services, or hardware devices other than the server(s).

2.2 Delayed Deployment. If you wish to delay the deployment of a Hosted System you may do so, provided that you give us written notice of your election to delay no later than five (5) days following the date you sign the Agreement. The requested delay may not continue for more than two (2) months following your signature on the Agreement. If you request a delay in deployment, we may charge you up to fifty percent (50%) of the monthly recurring fees for the Hosted System during the period of delay. You are not entitled to a credit under Subsection 2.1 above if you request the deployment delay. The initial term of the Agreement will begin when we deploy your Hosted System at your request, or on the second monthly anniversary of the date you sign the Agreement, whichever comes first. Following deployment we will charge you the full monthly recurring fee (plus other usage fees as applicable) for the full term of the Agreement.

3. ENCRYPTION OF PERSONALLY IDENTIFIABLE INFORMATION

The General Terms and Conditions require you to use reasonable security precautions in light of your use of the Services. For the Hosting Services, this includes encrypting any PII transmitted to or from, or stored on, the Rackspace servers or storage devices you use.

4. SERVICE LEVEL GUARANTIES

4.1 Network. We guaranty that our data center network will be available 100% of the time in a given month, excluding Maintenance. The data center network means the portion of the Rackspace network extending from the outbound port on your edge device to the outbound port of the data center border router and includes Rackspace managed switches, routers, and cabling. We will credit your account 5% of the monthly fee for each 30 minutes of network downtime, up to 100% of your monthly fee for the affected server(s).

4.2 Infrastructure. We guaranty that data center HVAC and power will be functioning 100% of the time in a given month, excluding Maintenance. Power includes UPSs, PDUs and cabling, but does not include the power supplies on your servers. Infrastructure downtime exists when a particular server is shut down due to power or heat problems. Rackspace will credit your account 5% of the monthly fee for each 30 minutes of infrastructure downtime, up to 100% of your monthly fee for the affected server(s).

4.3 Hardware. We guaranty the functioning of the following dedicated, Rackspace-provided hardware: (i) servers, firewalls, and load balancers; (ii) attached storage devices; and (iii) network attached storage devices. Hardware repair or replacement will begin once we identify the cause of the problem. Hardware repair or replacement is guaranteed to be complete within five hours of problem identification for network attached storage devices and within one hour of problem identification for all other hardware covered by this guaranty. We will credit your account 5% of the monthly fee per additional hour of downtime (after the initial five (5) hours or one (1) hour for repair or replacement, as applicable), up to 100% of your monthly fee for the affected hardware. This guaranty excludes the time required to rebuild your system, such as the time required to configure a replacement device, rebuild a RAID array, reconfigure devices from their default settings, and reload operating systems and applications.

4.4 Replication Appliance. If a replication appliance (such as an EMC RecoverPoint appliance) is unavailable due to a hardware failure, Rackspace will have a technical specialist and necessary parts onsite to begin repairs within six (6) hours of problem identification. If Rackspace fails to meet this guaranty and the failure adversely affects your Hosted System, you are entitled to a credit in the amount of 5% of your monthly recurring fee per half hour of delay in beginning repairs for the affected replication appliance, up to 100% of the monthly recurring fee.

4.5 Downtime Measurement. Downtime is measured from the time a trouble ticket is opened until network availability is restored, or the affected device is powered back on, as applicable.

4.6 Limitations. You are not entitled to a credit if you are in breach of the Agreement (including your payment obligations to us) at the time of the occurrence of the event giving rise to the credit until you have cured the breach. You are not entitled to a credit if the event giving rise to the credit would not have occurred but for your breach of the

Agreement or misuse of your Hosted System. To receive a credit, you must contact your account manager within ten (10) days of the occurrence of the event giving rise to the credit. The Service Level Guaranties are contingent on Rackspace having full logical access to your configuration. No credit will be due if the credit would not have accrued but for your restriction of Rackspace's logical access to your configuration.

4.7 Maintenance. For the purposes of the Service Level Guaranty, Maintenance shall mean:

- a. Rackspace maintenance windows - modification or repairs to shared infrastructure, such as core routing or switching infrastructure that we scheduled at least 72 hours in advance, that occurs during off peak hours in the time zone where the data center is located;
- b. Scheduled customer maintenance – maintenance of your configuration that you request and that we schedule with you in advance (either on a case by case basis, or based on standing instructions), such as hardware or software upgrades;
- c. Emergency maintenance – critical unforeseen maintenance needed for the security or performance of your configuration or Rackspace's network.

4.8 Data Center Upgrades. We are constantly upgrading our data center facilities and in order for you to benefit from these upgrades, you agree that we may relocate your servers within our data centers, make changes to the provision of the Services, URLs and your IP addresses and may establish new procedures for the use of the Services. We may also make changes to DNS records and zones on Rackspace operated or managed DNS servers as we deem necessary for the operation of the shared network infrastructure. In each case we will give you reasonable advance notice and use all reasonable endeavors to minimize the effect that such change will have on your use of the Services.

4.9 Cumulative Dollar Amount. **Notwithstanding anything in this Agreement to the contrary, the maximum total credit for failure to meet the Service Level Guaranties under this Agreement for any calendar month shall not exceed 100% of your monthly recurring fee for the affected Hosted System. Credits that would be available but for this limitation will not be carried forward to future months.**

5. TERM

The initial term of the Agreement begins on the Service Commencement Date (unless otherwise provided in Section 2.2 (Delayed Deployment)) and continues for the period stated in the Service Description. Upon expiration of the initial term, we may offer you the option of renewing the Agreement for one or more additional terms having a fixed number of months. If you do not renew the Agreement for a fixed term, it will automatically renew for successive extended terms of one month each unless and until one of us provides the other with at least thirty (30) days advance written notice of non-renewal. If you add service elements to a Hosted System by a subsequent agreement, we may use the word "coterminous" to describe the initial term of the subsequent agreement for those additional elements. If the term of an agreement is "coterminous," the initial term of that agreement shall expire on the last day of the initial term of the agreement that initially established the Hosted System.

6. FEES

6.1 Your first invoice will include the initial one-time set-up fee and a pro rated monthly recurring fee from the Service Commencement Date to the last day of the calendar month. We may require you to pay this initial invoice before beginning the Hosting Services. . Following the Service Commencement Date, monthly recurring fees will be billed monthly in advance on or around the first day of each calendar month. Non-recurring fees, such as bandwidth overages, will be billed monthly in arrears.

6.2 Fees are due within five (5) days of invoice date.. If you have arranged for payment by credit card or ACH, Rackspace may charge your card or account on or after the invoice date. Rackspace may suspend all Services, and services provided pursuant to any unrelated agreement, if payment of any invoiced amount is overdue, and you do not pay the overdue amount within four (4) Business Days of our written notice to your billing contact. You agree that if your Services are reinstated after a suspension for non-payment, you will pay a reasonable reinstatement fee. Rackspace may charge interest on overdue amounts at 1.5% per month (or the maximum legal rate if it is less than 1.5%). If any amount is overdue by more than thirty (30) days and Rackspace brings a legal action to collect, or engages a collection agency, you must also pay Rackspace's costs of collection, including reasonable attorney fees and court costs. If your check is returned for insufficient funds, we may charge you a fee up to the maximum amount permitted by law. Fees must be paid in U.S. Dollars.. Fees must be paid in U.S. Dollars. Invoices that are not disputed within 180 days of invoice date are conclusively deemed accurate.

7. FEE INCREASES

7.1 Increase in Producer Price Index. If during the initial term or any renewal term there is an increase in the Producer Price Index over the Producer Price Index reported for the month in which you signed your Agreement, we may increase your fees by the same percentage as the increase in the Producer Price Index; provided that we may not increase your fees under this Subsection more often than once per twelve (12) months, and we must give you at least thirty (30) days advance written notice of the increase. The "Producer Price Index" means the Producer Price Index for Finished Goods, WPUSOP3000, not seasonally adjusted, and first published as "preliminary" data by the United States Bureau of Labor Statistics in its PPI Detailed Report or successor publication. For historical information on the Producer Price Index you may visit the Bureau of Labor Statistics website. (Example: if the Producer Price Index for the month in which you sign the Agreement is 186, and then increases in a subsequent month during the term of the Agreement to 195, we may increase your fees by up to 4.8%).

7.2 Increase During Month-to-Month Term. If following the expiration of the initial term or any renewal term you do not sign a renewal of your Agreement, but continue to use your Services on a month-to-month basis as described in Section 5 (Term) above, then we may increase your fees at any time by any amount, in our sole discretion, on thirty (30) days advance written notice.

8. TERMINATION FOR CONVENIENCE

You may terminate this Agreement for convenience at any time on thirty (30) days advance written notice.

9. EARLY TERMINATION FEE

If you terminate this Agreement for convenience or we terminate this Agreement for your breach, in addition to other amounts you may owe, you must pay an early termination fee equal to the total monthly recurring fees for the remaining portion of the then-current term. You will not be charged an early termination fee under this Section in the event you terminate this Agreement as part of an agreement to establish a replacement for the Hosted System in a different Rackspace service segment, even if the overall fees for the replacement system are less than those for the Hosted System, provided that the replacement system is the functional equivalent of the Hosted System.

10. RESALE

You may resell the Hosting Services, subject to the provisions of Section 18 of the General Terms and Conditions. If you resell any part of the Hosting Services that include Microsoft software then you must include the Microsoft terms posted at <http://www.rackspace.com/aboutus/legal/microsoftlicense.php> in a written agreement with your customers.

11. MANAGED BACKUP

Rackspace's managed backup services are designed to facilitate restoration of data to the server or device from which the data originated in the event the primary data is lost or corrupted. The quality of your backup depends on how your data is organized. We recommend that you test your managed backup service promptly following the Service Commencement Date, and then periodically, to determine if it is capturing your data properly. If it is not, we will work with you to maximize the accuracy of our managed backup service for your data and/or help you identify other data backup solutions that may work better for you. In the event your primary server or device hardware fails and is replaced, we may not be able to restore your backed up data exactly as it was configured on the failed device. If this risk is not acceptable to you, then we will help you

identify other data backup solutions that are more reliable in this situation. The "retention" period for your backup refers to the amount of time that we will retain the backup in a useable form for restoration to the server or device from which it originated.

If you wish to preserve your backup after the time that this server or device is decommissioned, you must make arrangements with us at least seventy-two (72) hours in advance of the scheduled decommissioning of the server or device. Database duplications or "cloning" for purposes other than a restoration of lost or corrupted data as described in this paragraph are not included as part of your managed backup service, but may be arranged as a Supplementary Service for an hourly fee. We may choose to use either tape or disk to collect your data, in our discretion. Provided that we do not impair the security or reliability of your backup service, you agree that we may from time to time test our backup systems, and may use copies of your data as part of these tests. We will treat duplicate data in accordance with the same security standards applicable to your backup service.

If you purchase any Services that involve data replication at a geographically diverse site, then the following applies to your use of that Service: The rate by which the data at the primary site can be transferred to the secondary site will vary depending on the amount and type of data, constraints inherent in your Hosted System, and fluctuations in bandwidth availability. Therefore, at any given time, the secondary site may not be completely up to date. In the event of a failover to the secondary site, the data that has not yet completed the transfer from the primary site will be lost. We may provide you with some guidelines on latency times based on our understanding of your data and system constraints, but these guidelines are not guaranties.

17. COLOCATION

If we host a device that you own in our datacenter, then the Colocation Addendum at <http://www.rackspace.com/information/legal/colocationaddendum.php> as of the date you sign the order or agreement covering the colocation services is part of the Agreement.

Following the Service Commencement Date you are responsible for managing the active or inactive status of your virtual servers via your *MyRackspace* portal. Rackspace will invoice you for your virtual service in arrears based on the number of calendar days (full or partial) in each billing period that your virtual servers are set to "active." While your virtual servers are in an "inactive" status we will not install any software updates that we may have otherwise agreed to install. We will update your virtual servers when you return them to "active" status, but there could be a delay of up to twenty four (24) hours before the updates are fully installed.

Rackspace makes no representation or warranty whatsoever regarding any Unsupported Service, and you agree that Rackspace will not be liable to you for any loss or damage arising from the provision of the Unsupported Service.
